What is a Cowboy Christmas?

This Christmas story takes place on the open range. Stories told around an open campfire surrounded by friends and travelers from surrounding territories. Travelers ride into camp on horseback to visit with an old acquaintance they have not seen in a long time.

The story is mixed with choir performances throughout singing country Christmas songs.

Sound & Light production mixed in with props really make you feel you are sitting around a camp fire listening to a story with friends. This program definitely draws you into the story.

Dress warm and bring the family, this is a free event for the community of Terrell and surrounding areas. Bring a friend or neighbor and kick start the holiday season Cowboy style!
